

Delegates to the 2024 NPMHU National Convention to Convene in Las Vegas, Nevada

Preparations are in the final stage for the 2024 National Convention, which is scheduled to take place at Caesars Palace, Las Vegas, Nevada from August 19 through August 23, 2024.

Three-hundred forty-eight Mail Handlers from across the country have been chosen through the Local Union delegate election process to serve as delegates. This body will help to set the agenda of the Union for the next four years.

The theme for our 2024 National Convention is “Betting On The Future, We’re All In” is extremely appropriate. The future for this Union looks great. We will prevail past the many challenges that we will all face in the future and come out on top. Mail Handlers are united in our economic, political, and workplace struggles.

Beginning in June, and throughout the summer, committees appointed by National President Paul Hogrogian will meet to review and establish a full agenda for the 2024 Convention, including possible constitutional amendments and resolutions that may be submitted for consideration by the Delegates in accordance with the requirements set forth in the NPMHU National Constitution. In addition to the traditional Constitution and Resolution Committees — and in recognition of the increasing role that the NPMHU has played in ongoing legislative issues on Capitol Hill — National President Hogrogian has once again named a Legislative Committee to review and recommend the adoption of resolutions concerning legislative and political matters.
