**NEW ORGANIZING WEBPAGE**

Dear Local Presidents,

We have created a new webpage to provide tools for Officers and Stewards to Organize new Members into the National Postal Mail Handlers Union. This **“Digital Organizing Toolkit”** provides easy to follow steps to recruit new members into the NPMHU.

**<https://www.npmhu.org/resources/organizing-new-members>**

Although the NPMHU enjoys a high rate of membership across the country, and MHAs are joining the fight, there remain Mail Handler craft employees who are not yet members of the NPMHU. Since all Mail Handlers share in the rewards and benefits that are negotiated by the NPMHU -- through its work in collective bargaining, and its efforts to represent craft workers in various other forums -- we're sure you will agree that all Mail Handlers should do the right thing and join the ranks of the NPMHU.

In an effort to further unify our membership during these difficult and uncertain times, the National Office has also refreshed our organizing and recruitment efforts.

- NPMHU Committee on the Future has updated a pamphlet **“Organizing New Mail Handlers.”**

As all Mail Handler union members know, there are some who take for granted the hard-fought salary and benefit packages that Mail Handlers enjoy. Many of those individuals do not recognize and value the hard work that NPMHU Representatives provide, day in and day out, to secure, maintain, and improve upon our wages, benefits, job protections, and working conditions.

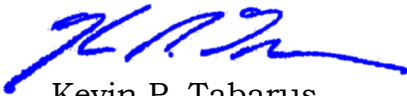

Copies of the Posters, QR Cards, and Organizing New Mail Handlers pamphlet HAVE BEEN bulk mailed to all NPMHU Local Union Headquarters.

We encourage all Officers, Stewards, and Members to encourage all non-members to

**“Join The Union – Join The Fight!!!”**
